Conditions of children good.

In the past two months, the clinic attended to quite a good number of children from Bongwe who were sick especially upper respiratory diseases. Perhaps due to bad weather, but today the attendance was the best. Keep it up.

I would like to take this opportunity to thank the following able people for the support they continue giving us [1] Madam Ilonka and her team, Masoud, Teachers and the volunteer medic Madam Kuloba, not forgetting our new Headteacher. Thank you.
